Cost: As in previous communication our workshops will change vastly in how they are funded including staff to facilitate ratio and support for attendees. Over the past few years we have been able to offset some of the workshops cost in an effort to keep cost down, this unfortunately will not be the case from January. In line with these changes our workshops fit into Access to centre-based social and recreational activities model under the NDIS. For some of our workshops there will be an additional material/equipment fee to cover costs but will differ for each workshop.

Term Dates: Spiral commences service for 2019 on Monday 7th January and the first week is a come & try format at the Centre.
Term 1 & 2 Term 1 commences Monday 14th January and runs through to Friday 12th April.
 Workshop closure is from the Monday 15th April to Monday 22nd April, however Spiral services will still be operating as needed.
 Term 2 commences Tuesday 23rd April and runs through to Friday 28th June

For Expressions of Interest in these workshops please contact Spiral on the information below.
